

A man with short, wavy brown hair and a light beard is looking down at a smartphone in his right hand. He is wearing a blue blazer over a black t-shirt. A brown strap, likely from a bag, is visible over his right shoulder. The background is a blurred, modern interior space with architectural lines.

Create

Your own content

- SMS Content template can be created or updated by user themselves.
- This solution has provided all the fields in common. So, they can use whichever is needed.

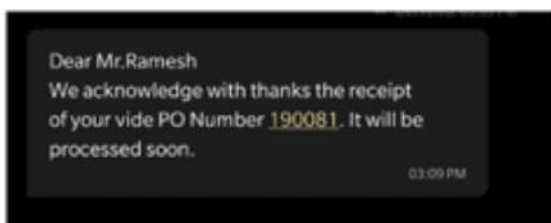

The screenshot shows a software window titled "SMS Template". On the left, there is a table with two columns: "Name" and "Description". The table contains the following entries:

Name	Description
DocNum	Document Number
DocTotal	Document Total
Name	Customer Name

Below the table are "Add" and "Cancel" buttons. To the right of the table is a dropdown menu labeled "Template" with "Order Confirmation" selected. Further right is a text area labeled "SMS Template" containing the following text:

Dear (Name)
We acknowledge with thanks the receipt of your vide PO Number '{DocNum}'. It will be processed soon.
